 FYC BOTY is open to all FYC members in good standing that have started at least 7 of the races listed below. BOTY calculations will be done using the Cox-Sprague scoring system, the yachts with the best percentage of winning to the hundredth decimal "0.0" will be considered for FYC BOTY. Classes in which you may compete include PHRF Spinnaker OR PHRF Jib and Main. A RRS rule 2 violation in any race during the year may disqualify you from qualification for BOTY. If a tie exists to the hundredth-place decimal, two boats may be awarded BOTY in the same year pending a vote of the race committee.
